Subject No. 590.

Establishment of an Industrial School at Yedahalli.

Mr. Ingalagondi Santappa Setti of Yedahalli Sub-Taluk.

Summary of discussion.—A Timber Depot is located at Yedahalli in consequence of the existence of forests containing valuable timber such as teak, matti, beto, etc., as there are a very few skilled carpenters at Yedahalli and those few are very poor. It is requested that an Industrial School may be established at Yedahalli.

Reply of Government.—This is unnecessary.

Subject No. 591.

A Musafirkhana on account of the Dattatreya Matt on the Bababudan Hills.

Mr. Shanbhog Sitaramaiya, Chikmagalur Taluk.

Summary of discussion.—A musafirkhana may be erected on the Bababudan Hills for the many Hindus that visit the Dattatreya Matt there.

Mr. C. Srinivasa Rao of Chikmagalur supported this and said that a few years ago Mr. Srinivasa Charlu wanted to build a musafirkhana for Hindus who resort to the place by thousands.

Reply of Government.—The District Board and the Deputy Commissioner will be asked to report about the want for Hindu pilgrims and visitors.

Subject No. 593.

Drainage for Shimoga.

Mr. S. R. Balakrishna Rao, B.A., LL.B.

„ Nightingale

Summary of discussion.—The Government may be pleased to order that the drainage scheme be undertaken at an early date, as the demand for it is urgent and want of good drainage is the chief cause of the unhealthiness of the town.

Note.—Mr. Nightingale thanked the Government for giving Rs. 30,000 for drainage in Shimoga.

Subject No. 594.

Restoration of Tirugani-Madavu Anikat.

Messrs. Siva Deekshita and Ameen Kristappa absent but others spoke.

Summary of discussion.—Representations were made in previous years for the restoration of the Tirugani-Madavu Anikat, but no action has yet been taken in the matter. If this be restored many Bechirakh villages may be brought under cultivation and both the Government and raiyats will be benefited. It is requested that it may be restored early.

Reply of Government.—The Deputy Commissioner states that this is a very desirable project across the Kumudvati stream between Anjanapur and Chordi, as 4,000 acres are likely to be brought under cane cultivation. The Chief Engineer will be asked to investigate this project.

Subject No. 595.

Opening out Chikkerur-Banavasi road.

Mr. Nadig Sivappa.

Summary of discussion.—For the past 20 years, representations were being made for the construction of Chikerur-Banavasi road. Deputy Commissioners Messrs. V. P. Madhava Rao, Abdul Rahman and Rangaswami Iyengar had also reported in favor of carrying out this work. Raiyats are unable to export their produce to railway
